25

Birth Date

January 07 1999 G.C

Education

BSc. in Information Systems

Bahir Dar University | Bahir Dar, Ethiopia
2019 - 2024

CGPA: 3.79

Exit Exam: Passed (69%)

Professional Summary

I am Samuel Aberra, a BSc. in Information Systems graduate from Bahir Dar University, with a CGPA of 3.79. My academic journey provided me with a solid foundation in software development, data analysis, and system design. I excel at integrating technology with business processes, solving complex problems, and delivering innovative solutions. With extensive leadership experience since junior school, I have honed my communication and teamwork skills. I am passionate about learning and eager to tackle new challenges, always seeking opportunities to add value, collaborate effectively, and drive impactful results in a dynamic environment.

Relevant Experience

Summer Intern

Commercial Bank of Ethiopia | July 2023 - September 2023

- Developed a mobile banking clone application using Flutter, gaining hands-on experience in mobile development, user support, and backend integration.
- Provided administrative support, including organizing documents, managing schedules, and ensuring seamless communication within the team.
- Assisted in the preparation and processing of correspondence and reports.

Student President and Advisor

Ambagiorgis Preparatory and Secondary School | September 2017 - September 2019

- Led the student body, organizing events, coordinating with faculty, and addressing student concerns.
- Provided advisory support to peers, demonstrating leadership and team collaboration skills.
- Managed and documented student activities, showcasing strong organizational and administrative capabilities.

Certificates

- Fullstack Software Engineering | ALX | January 30 2024
